March 31 (Mon.)–April 27 (Sun.)

► Fall 2003 registration time assignments for students enrolled during spring 2003. For best course selection, register as soon as possible after your time assignment begins. Continuing students can register through May 30 (and also July 28–August 15).

April 28 (Mon.)–May 30 (Fri.)

Schedule adjustment for continuing degree students who have registered for fall semester and registration for continuing students who have not yet registered. **After May 30, continuing students may not register or adjust their schedule until July 28–August 15.**

Fall 2003 registration for new admitted and confirmed graduate students, confirmed readmitted students, and eligible students continuing from summer to fall. **After May 30, readmitted students may not register or adjust their schedules until July 28–August 15.**

June 3 (Mon.)–July 25 (Fri.)

► Fall 2003 registration for incoming freshman and transfer students (*on specified dates*). Continuing and readmitted students may not register or adjust their schedules until July 28–August 15.

Registration continues (*on specified dates*) for new graduate students and eligible students continuing from summer to fall.

July 28 (Mon.)–August 15 (Fri.)

► Final registration and schedule adjustment for continuing students, new admitted and confirmed graduate students, and confirmed readmitted students, as well as eligible students continuing from summer to fall.

Final registration period for all incoming freshman and transfer students who did not register in June or July (except those in arts and sciences attending the final orientation in August) and schedule adjustment for all transfer students who registered in June or July.

August 1 (Fri.)

Deadline to update your billing and permanent addresses to ensure that your fall 2003 schedule/bill is mailed to the correct address.

August 4–18 (Mon.–Mon.)

Schedule/bills mailed to the billing addresses of all students who register by August 15 (mailed on Mondays to all students who registered by the previous Friday). If no billing address is on record, schedule/bills are mailed to the permanent addresses. If no permanent address is on record, then mailing addresses are used.

August 15 (Fri.)

► **Deadline for continuing students to withdraw from the university and receive a full refund of the \$200 enrollment deposit, less any outstanding charges.** (This

deadline to withdraw and not forfeit the deposit applies to students planning to go on the Time Out Program as well.) New and readmitted students are not eligible for a refund. (See page 42.)

► **Deadline for all students, both undergraduate and graduate (except for those incoming freshmen and transfers in arts and sciences attending the final orientation in August), to register for fall courses. Registration must be completed by midnight on this day to be guaranteed enrollment for fall semester.** After this date, registration is on a space-available basis, and a **\$50 late fee** is charged. (See page 41 for late registration information.)

August 19 (Tues.)

Registration for incoming transfer students in arts and sciences who are attending the final orientation on August 18–19, as well as registration for all other incoming transfers who have not yet registered.

August 21 (Thurs.)

Registration for incoming freshman students in arts and sciences who are attending the final orientation on August 19–21 as well as registration for all other incoming freshmen and transfers who have not yet registered. **These students must complete registration by 5:00 p.m. on this day to be guaranteed enrollment for fall semester.** After this date, registration is on a space-available basis, and a **\$50 late fee** is charged. (See page 41 for late registration information.)

August 22 (Fri.)

Schedule/bills mailed to the mailing addresses of all students who register August 18–21.

Drop/add time assignments begin for all incoming freshman and transfer students. (See page 18.)

ACCESS registration begins. (See page 39.)

August 24 (Sun.)

Drop/add time assignments begin for all other students, and faculty/staff registration begins. University closed. (See page 18.)

Cover Art Contest Winner

Christina Zigler

Whenever anyone asks me what my major is, they always are a bit intrigued by my answer. I am doing an Individually Structured Major which is centered around art and social change, my two greatest passions. My over arching goals in life are as follows: to create a greater sense of community and resulting empathy wherever I reside, to ease the suffering of marginalized beings and to incorporate art in any way I can into the aforementioned goals. In short, I wish to create community through art; art through community.

I feel that art is an ideal means to civic participation because it is accessible and arguably, enjoyable to all, bringing together disparate groups for a common cause. For instance, before earning a masters degree in art and after graduating from CU, I plan on working with the Arts in the Shelters Program, an organization that works with homeless youth in New York City who face the daily uncertainty and instability of living in city shelters. The program offers weekly workshops to help the children develop self-expression and raise self-esteem through the process of making art while building a much needed support community among the homeless youth and volunteer artists.

Not all of my interest in art is focused upon social change, though. Regardless of what I am painting or for what purpose I am painting, I try to infuse emotion and energy into my work. Sometimes I achieve this energy through the subject, and sometimes, I achieve this through color. In *Winning the Race*, I endeavored to use both color and the subject to convey the intense struggle and perseverance that is required in accomplishing something great. The tautness of the runners' muscles, the palette that conveys the unmerciful heat of the sun, and the pained concentration on the athletes' faces work together to demonstrate the intensity of the race. This painting is in many ways allegorical to our experience as undergraduates; though the road to graduation can be arduous, at graduation, we can look back at our time in college and appreciate the ways in which our struggles have transformed us into more enriched, aware, and complete people.

Steps to Registration

This *Registration Handbook and Schedule of Courses* contains information you need to register for the fall 2003 semester, adjust your schedule, and pay your bill. If policies or procedures change, you will receive further information. The requirements, policies, and course descriptions of each college and school are printed in the *University of Colorado at Boulder Catalog*. You are responsible for knowing and following the catalog policies for your year of entry into a specific program at CU-Boulder.

Although this handbook was prepared on the basis of the best information available at the time of its printing (February 26, 2003) all information is subject to change.

The University of Colorado does not discriminate on the basis of race, color, national origin, sex, age disability, creed, religion, sexual orientation, or veteran status in admission and access to, and treatment and employment in, its educational programs and activities.

You can access web registration or call CU Connect (our telephone registration system) to check your registration eligibility, register for courses, drop and add courses, and sign up for course wait lists (if available). When you register, you will receive immediate confirmation or denial of your enrollment in courses.

Registration Deadline - All students must complete registration by midnight on August 15 to be guaranteed enrollment for fall semester 2003. (Exception: Incoming freshman and transfer students attending the final arts and sciences orientation session in August must complete registration by 5:00 p.m. on August 21. All other incoming freshman and transfer students who have not registered by August 15 must register by 5:00 p.m. on August 21.) Students who do not register by these dates (including graduate students) are subject to late registration and a **\$50 late fee**.

NOTE: If you require accommodations because of a disability, notify the Office of the Registrar, 20 UCB, Boulder, CO 80309-0020, or call 303-492-6970 and press 1 to speak with a registration assistant. If you are deaf or hard of hearing, call 303-492-5841 (TTY).

● Review Your Registration Eligibility

Currently enrolled students:

You can access your fall semester 2003 registration eligibility (including your registration time assignment) in the following ways:

• **View your registration eligibility status via web registration.** You may view your registration time assignment and any stops or advising requirements that need to be cleared by checking your registration status via web registration. To access this information, go to PLUS on the Web at www.colorado.edu/plus and select the "Registration" button. Next, log on to web registration by entering your student ID number and your PIN (Personal Identification Number). Then select the "Reg. Status" tab at the bottom of the screen. You can then select fall semester 2003 to view your eligibility to register (including any stops or advising requirements currently on your record) as well as your registration time assignment (the time you may begin registering.) **NOTE: Your registration time assignment does not show on the web registration status screen after your time assignment has passed;** it only displays if it has not yet arrived and thus makes you ineligible to register.

• **Come to the registrar's office** for a copy of your invitation to register if you don't have access to the Web.

All new and readmitted students:

• **You'll receive a personalized invitation to register** in the mail (mailed to your mailing address) or at orientation (if required).

Your invitation to register includes your PIN (Personal Identification Number). Your PIN, in combination with your student number, allows you to access web registration, CU Connect (our telephone registration system), the Personal Look-Up Services (PLUS) on the Web, and the financial aid telephone system. Certain data specific to you are available on these systems, and your PIN controls access to this infor-

mation. Your PIN is a randomly set number and must be kept confidential. **Be sure to memorize your PIN, as it remains the same throughout your career at CU-Boulder.**

Note to All Students: If you feel that your PIN is not secure and you wish to change it, you can change it via PLUS or come in to the registrar's office in Regent 105. Or if you forget your PIN, you can call the registrar's office at 303-492-6970 or come in to the office in Regent 105.

Your registration eligibility via web registration (or your invitation to register) includes:

• **Your registration time assignment**—This is the date and time you can begin registering for courses. You can register any time after your time assignment begins through the registration deadline (see the registration/academic calendar on pages 2-3 for specific dates). It is to your advantage to register as soon as possible after your registration time assignment begins. You can also call CU Connect at 303-938-8110 (**enter 037 for the fall semester 2003 term code when prompted**) or check your registration status on the Web to find out your registration time assignment (the time you may begin registering). **NOTE:** Your registration time assignment does not show on the web registration status screen after your time assignment has passed. It only displays if it has not yet arrived and thus makes you ineligible to register.

Fall semester registration time assignments for undergraduate continuing students are based on the total number of predicted cumulative hours completed at the end of spring semester 2003. This includes the total number of hours completed at CU (any campus), plus transfer credit and any courses you are currently enrolled in (as of February 14). Graduating seniors receive the earliest assignments. All other seniors register next, then graduate and law students, first-semester freshmen (those with 12 or fewer hours), juniors, sophomores, and then second-semester freshmen. Within these groups, time assignments are random, but those with more hours register first.

Freshmen.....	0-29 hours
Sophomores.....	30-59 hours
Juniors.....	60-89 hours
Seniors.....	90-123 hours
5th Year Seniors.....	124 hours and above

• **Advising notice** - If required by your college or school, consult with an advisor before registering. (See page 35.)

• **Other stops** - Stops are holds that the university puts on student records for various reasons. Stops might originate from delinquent financial obligations, academic concerns, or even disciplinary matters. All stops must be cleared before you are allowed to register.

**CU Connect,
the telephone
registration
system, will be
retiring soon.
(See page 16.)**

2 Plan Your Schedule

Use the schedule planning worksheet below to fill out a preliminary schedule. You can also use the schedule planner tool on the Web to plan your schedule (see page 14 under Searching for Courses). Then, fill out the form on page 17 before registering. It is a good idea to include alternate course choices on your registration form in case courses you request are full. Refer to page 14 under Searching for Courses for information about the schedule planner tool on the Web and course availability.

Didn't do too well in your course?

Students who received a grade of D+ or lower (C+ or lower if a graduate student) in their course may

repeat the course and have the original grade removed from both total credit hour calculation and the GPA under the

Course Forgiveness Pilot Program

Undergraduates may take up to 10 credit hours in their CU undergraduate career for course forgiveness; graduate students up to 3 hours (Law and Business Graduate students are not eligible for this program, nor are those students who received a low grade due to academic dishonesty.) The original grade will still appear on the transcript.

Students registering to repeat a course this fall (including those registering for Independent Learning this fall through Continuing Education) must complete an application in the Office of the Registrar, Regent 105 (applications available Monday, August 25, 2003), and turn in this application no later than

October 8, 2003

These deadlines and rules may not be appealed. No applications will be accepted after 5:00 p.m. on October 8, 2003.

Additional rules and guidelines can be found on the Office of the Registrar website

③ Decide on Student Opportunities

In addition to the mandatory fees you must pay along with your tuition, there is a group of student opportunities available to you for which optional fees are charged. The opportunities consist of various services provided by the university; tickets for concerts, plays, and the like, and clubs and student groups in which you can participate or merely provide money for their use. When you first access registration (either via CU Connect or the Web), you will be given a brief description of the student opportunities fees available to you and be prompted to choose (or not) each opportunity. After you've made your choices, you'll be prompted to confirm them. With this step completed, you can register for classes. The student opportunities you have chosen will appear on your tuition and fee bill. If you want to change any of the student opportunities originally chosen, you cannot do so via CU Connect or the Web. Instead, you must **call the appropriate office at the phone number listed below. Refunds will be given up to the first tuition payment deadline (September 3).** Following are descriptions of all the opportunities available to you, including the fee for each opportunity.

Club Sports\$4.75
Club Sports are partially funded by student fees and require participants to pay out-of-pocket expenses that may limit participation in their sport. This optional fee helps support club sports so there are fewer out-of-pocket expenses for national competitions and overhead costs incurred by each club. There are currently over 30 club sports, with students competing in local, regional, and national competitions. Coed sports include: bicycle racing, crew, diving, equestrian, fencing, field hockey, figure skating, fly fishing, kayaking, racquetball, snowboarding, speed skating, squash, swimming, tae kwon do, tennis, triathlon, and water polo. Men's sports include: baseball, ice hockey, roller hockey, rugby, soccer, ultimate frisbee, volleyball, and wrestling. Women's sports include: dance, ice hockey, rugby, soccer, softball, ultimate frisbee, and volleyball. **303-492-5274.**

College of Music Concert Card\$30.00 per card
The hot sounds of jazz! International dance! Classical music! The best of musical theatre and opera! Each concert card gives you \$60 worth of Artist Series and CU Opera tickets for only \$30 - 50 percent savings over single ticket prices! Cards are valid for the entire 2003-2004 season and allow you to choose from a variety of performances. Concert cards give you the flexibility to decide what concerts to attend and where you would like to sit. All you have to do is bring your card to the box office when choosing tickets. Concert cards are not mailed to you. Bring your student ID and proof of payment to Imig Music Room C103 to pick up your College of Music Concert Card. **303-492-8008 or www.cuconcerts.org.**

Gay, Lesbian, Bisexual, and Transgender

Resource Center\$5.00
The Gay, Lesbian, Bisexual, and Transgender (GLBT) Resource Center is committed to advocating for GLBT students, staff, faculty, and alumni at the University of Colorado at Boulder. The GLBT Resource Center (GLBTRC) addresses numerous needs of the community such as creating safe spaces, providing resources and referral information, enhancing educational programs, building coalitions, outreaching to various constituencies, and advocating for GLBT issues. The GLBTRC offers various programs and services throughout the academic year including welcome activities, national

celebrations, educational programs, leadership development, training and development, newsletters and events calendars, resource library and lounge. Although a department within the Division of Student Affairs, the GLBTRC receives no state general funds or other student fee money. Fees fund the center's programming, and contributors have the option to receive CU Out & About (GLBTRC's newsletter). Stop by Willard 227, visit our web site www.colorado.edu/GLBTRC, or call **303-492-1377.**

The Herd.....\$15.00
The Herd promotes school spirit, friendships, and creates a fun college experience. Herd members get FREE rides on the CU Ski Bus, FREE food and drinks at pregame parties before CU football and basketball games, alumni mentor opportunities, and much more. Some of the Herd's special events include paintball games, golf tournaments, and FREE events at the CU Rec Center. Contact us at 303-735-1132 or at www.cualum.org/theherd.

Student Groups.....\$4.95
This fee supports student groups on campus through the Student Organizations Committee. Student groups funded for 2002-2003 include: 4 Wheelin' Club, Alpha Phi Omega, Association for India's Development (Student Chapter), ALAS (Association for Latin American Students), American Civil Liberties Union @ CU Caucus, Anthropos, Association of Students of the Classical World, Anthropology Club, Asian Pacific American Law Students Association, Asian Unity, Association for Women in Communication, Black American Law Students Association, Black Student Alliance, Boulder Blades Footbag Group, Bridges, Campus Crusade for Christ, Campus Crusade for Queers, Campus Libertarians, Campus NARAL, Coalition for Justice in Palestine, Colorado Journal of International Environment Law & Policy, CU Case Challenge Association, CU Pride Club, College Democrats, College Republicans, Cosmopolitan Club, DART Graduate Student Group, Federalist Society, Flatirons Review, Game Development Club, Horizons International Christian Fellowship, Habitat for Humanity, Japanese Students Association, Korean Student Association, Latino Law Students, MEXA, Middle Eastern Dance Association, Movement Artists, MSA (Muslim Students Association), Neuroscience Club, Non Traditional Students, Oyate, Public Interest Student Association, Pre-Law Society (Phi Alpha Delta Undergraduate), Raza Womyn, Rocky Mountain Rescue Group, Roots and Shoots, School of the Americas Watch, SASA (South Asian Students Association), SBA (Students for a Better America), UMAS (United Mexican American Students), Veterans Association, VSA (Vietnamese Students Association), and Yoga Club. For information, contact the Student Organizations Committee at **303-492-7473.**

Theatre and Dance

Season Subscription.....\$50.00 per card
Get a great deal on six tickets! Theatre and Dance presents great drama, timeless comedy, cutting-edge dance, and light-hearted musicals. The season subscription provides one ticket for Theatre and Dance's 2003-2004 musical and five tickets that can be used in any combination for performances during the rest of the season. Subscriptions are not mailed. Visit the Theatre and Dance Box Office in the University Theatre Building, lower level, to choose your seats and dates. Also visit our web site www.colorado.edu/TheatreDance or call **303-492-8181.**

Registration

4 Register for Courses

You can register using the following methods (or a combination of the following methods):

Web Registration—First complete the registration form on page 17. Then go to PLUS at www.colorado.edu/plus and select the "Registration" button. Follow the instructions shown on the web registration pages. When you're done registering, be sure to verify your schedule by going to the schedule page in web registration.

Telephone Registration—Call CU Connect, 303-938-8110, from any touch-tone phone to register. Follow the instructions on the registration form on page 17 and use the function codes listed on page 16. You may call any time after your time assignment begins. **After registering via CU Connect, list your classes by pressing 5# to verify your schedule.**

Web registration and CU Connect are normally available Monday through Friday, 7:00 a.m. to midnight, and on Sundays from 11:00 a.m. to midnight. (See page 16 for exceptions.) These systems are NOT available on Saturdays.

Need registration assistance? If you have problems or questions concerning telephone or web registration, call the registrar's office at 303-492-6970 and press "1" to speak with a registration assistant. Call between 8:00 a.m. and 4:30 p.m., Monday through Friday, except on university holidays. Recorded registration information is also available at this number 24 hours a day (press "2" to hear recorded registration information).

Once you have registered, make adjustments to your schedule either via the Web or CU Connect through the **registration deadline, midnight on August 15.** (Exception: Incoming freshman and transfer students attending the final arts and sciences orientation session in August must complete registration by 5:00 p.m. on August 21. All other incoming freshman and transfer students who have not registered by August 15 must register by 5:00 p.m. on August 21.) After these dates, see page 18 for instructions on making final schedule adjustments during the drop/add period.

Linked Courses

Linked courses are lecture courses that have required recitations and/or labs. In the course listings, you can identify a linked course because the call numbers for linked lectures are not listed. Only the call numbers for the linked recitation or lab are listed. (For courses that have a required lecture, recitation, and a lab, the call numbers are not listed for the lecture and recitation; they are only listed for the lab.)

To register for linked courses, enter the call number for the lab or recitation only. When you enter the call number, the system automatically links all other sections of the course and either enrolls you in all sections of the course or gives you the option of placing your name on a wait list, if available, for all linked sections of the course.

Controlled Enrollment and Independent Study Courses

Controlled enrollment sections of a course and independent study courses are ones that have specific restrictions placed by the department that offers the course. They have a section number between 700 and 999. The call numbers are not published for these sections. To find out if you qualify for a controlled enrollment section or an independent study course, contact the department that offers the course. If you are eligible, the department will either enroll you in the

course or give you the call number so you can register for the course via the Web or via CU Connect.

Searching for Courses

You might need to search for a new section of a course for the following reasons:

- Sometimes academic departments must change the time a course is offered after the *Registration Handbook and Schedule of Courses* has been published (when this happens, the department cancels the original section and adds a new section that reflects the time change), or
- The section you request is full.

You can search for available sections the following ways:

• **The schedule planner is a tool** to find out about course availability as well as additional course information. Using this feature, you can also search for courses by subject, core requirements, or meeting time, and you also have the option to search for only open courses. When a course is displayed, you can access the course description, required books, final exam time, and student ratings of the course. In addition, you can map out your schedule to show when you have courses and other scheduled commitments, such as work. **NOTE:** *The schedule planner is updated nightly during registration periods, so it is a good planning source, but does not display up-to-the-minute course availability.* You can access the schedule planner feature via PLUS at www.colorado.edu/plus.

• **You can conduct online course searches** via web registration. The **web registration course search** tool allows you to search by subject, level, course number, core requirements, and by meeting time. **You can also choose to limit your search to only open courses and sections. The course search feature is updated on a real-time basis, so if you find a course you would like to sign up for, you immediately know whether there is still room in the course. Also, if you try to register for a course via web registration but you're denied the course** (due to the section being closed or cancelled), you can conduct a **section search** to see if there are any other sections available of that same course that fit in with your schedule. When you're denied a course, click on the word "Search" next to the course, and then click on the "Submit" button. If there are any available sections of the course that fit your schedule, you'll be given the option to add the course (just click on the "Add" button for the section you want). You can access web registration via PLUS at www.colorado.edu/plus.

• If you request a course section that is full **via CU Connect**, the computer voice asks you if you want to conduct a search **for other open sections of that course.** If you do, press 7# when prompted. CU Connect searches for other sections of the course that are available and that fit your schedule. If another section is available, you can register for that section.

Wait Lists

Throughout the registration and drop/add periods, if you are eligible to take a course but find it is full, you may be able to put your name on a computerized wait list. Each department determines if a wait list will be offered for a course and what type of wait list will be used. There are two types of wait lists:

- **Automatic wait lists** are set up on a first-come, first-served basis. As a vacancy occurs in a class, the person at the top of the list is automatically enrolled.
- **Resequenced wait lists** use a priority system to determine who enrolls in a course as spaces open up. Priorities are

established by the department and are usually based on class standing and/or major.

Web registration and CU Connect inform you if a class you have requested has a wait list (as well as the number of students already on the wait list) and gives you the option of adding your name to the list. On the Web, click on "Wait List" option and then select Submit and wait for verification. On CU Connect, press 9# when prompted and listen for verification.

NOTE: Web registration and CU Connect do not tell you what type of wait list is used for the course.

As wait-list positions constantly change during the registration and drop/add periods, it's a good idea to check your schedule frequently to find out your position on the wait list. **It is especially important to check before the drop deadline (5:00 p.m. on September 10) so you can drop the course if you are enrolled but no longer wish to take it.**

To find out your wait-list position, you can:

- Log on to web registration via PLUS and then click on the "Schedule" tab at the bottom of the page. You'll be able to see your wait-list position for a course on the schedule page under "Status". Wait-list positions via web registration are updated in real time.
- Or you can call CU Connect and list your schedule by pressing 5# (see the instructions on page 16). If you are wait-listed for any courses, your wait-list position is announced when you list your schedule via CU Connect. Wait-list positions are normally updated nightly on CU Connect.

Important: Placing your name on a wait list does not guarantee that you will be enrolled in that course, even if you're first on the wait list.

When a space opens up for you in a course, you are automatically enrolled in the class from the wait list. An e-mail message notifying you of your enrollment from the wait list is then generated, but even if you don't receive the e-mail you're still responsible for knowing if you are enrolled from a wait list.

If you choose not to remain on a wait list or if you find that you have been enrolled in a course that you no longer want, drop the course as soon as possible.

NOTE: Wait-listed hours are included in your credit load limit (see page 37). You cannot be enrolled and wait listed for courses offered at the same time, and you cannot be wait listed for two courses offered at the same time.

It is your responsibility to find out if you have been enrolled in a course from the wait list. If you do not attend a course you have been enrolled in, you will receive an F for that course.

**CU Connect,
the telephone
registration system,
will be retiring soon.
(See page 16.)**

Deadlines for Wait Lists

You may place your name on course wait lists through **5:00 p.m. on Wednesday, September 3**. At midnight on September 3, one final roll of the wait lists will occur to automatically enroll students from wait lists into any existing course openings. After this final wait list roll, all wait lists are frozen. This means that there is no automatic enrollment from wait lists beginning on September 4.

If you are still on a wait list as of September 4 and are still interested in taking that course and have been attending regularly, check with the department offering the course. You must let the department know you are still interested in the course, **should an opening occur**. In that event, the department will give you a signed special action form to add the course. (**NOTE:** After September 3, you need the signature of the instructor on a special action form to add a course.) All department wait lists are canceled at 5:00 p.m. on Friday,

September 12, the deadline to add a course without petitioning your dean.

NOTE: If you are on the wait list as of 5:00 p.m. on September 3, and you don't get enrolled in the course (undergraduate courses only), you are eligible to reserve the course the next time it is offered through the Course Reservation Program. (See page 39.)

Did you know?

- ❑ Your renters/homeowners insurance could replace your registered bike if it's stolen.
- ❑ Bikes must cross at walking speed in a crosswalk.
- ❑ A good lock is more important than a good bike on campus. (we recommend Kryptonite U-locks)
- ❑ Your bike can be all you need for a car-free life at CU.
- ❑ You can call 303-735-2705 for information and resources about bicycling on campus.

Web Registration and CU Connect Hours

Web registration and CU Connect are normally available Monday through Friday, 7:00 a.m. to midnight. They are also available on Sundays from 11:00 a.m. to midnight. (They are NOT available on Saturdays.)

Exceptions:

- From **May 31 through July 27**, web registration and CU Connect are only available to eligible incoming freshman, transfer, and new graduate students (*on specified dates*). Continuing and readmitted students are NOT able to do any registration or schedule adjustment during this time period.
- From **August 16 to 21**, continuing, readmitted, and new graduate students are NOT able to do any registration or schedule adjustment. The system is only available to eligible incoming freshmen and transfers (who have not yet registered) during the dates/times listed below.
 - On **August 18**, web registration and CU Connect are NOT available.
 - On **August 19**, the system is only available from **9:00 a.m. to 5:00 p.m.** and only for freshmen and transfers in architecture and planning, education, and music, and transfers in arts and sciences, business, engineering, and journalism.
 - On **August 20**, web registration and CU Connect are NOT available.
 - On **August 21**, the system is only available from **8:30 a.m. to 5:00 p.m.** and only for all eligible freshmen and transfers who still have not yet registered.
- On **September 3**, web registration and CU Connect are only available until **5:00 p.m. for adding courses and adding your name to course wait lists**. **NOTE:** After 5:00 p.m. on September 3, web registration and CU Connect are **only available for dropping courses through 5:00 p.m. on September 10**, the drop deadline.

CU CONNECT WILL BE RETIRING SOON

CU Connect, the telephone registration system, will be retiring in the near future. System studies have shown that 98.99% of registration transactions are done via the Web, and most students indicate this is their preferred method of registering. If you use CU Connect, you will instead need to use the Web to register for courses once CU Connect is retired. We'll notify students when the date to retire CU Connect is set, but if you haven't tried registering via the Web, you may want to **make the switch now**.

Need help? Call the registrar's office for personal assistance, 303-492-6970 and press "1", 8:00 a.m. to 4:30 p.m., Monday through Friday, except university holidays.

Recorded registration information is available 24 hours a day, seven days a week (press "2" to hear the recorded information).

This form is for registration for fall semester 2003. Read the instructions on pages 9-15, and complete this form BEFORE registering for courses via web registration or via CU Connect. (NOTE: The first time you access registration for fall semester, you will be prompted to go through the student opportunity fee selections. See page 12 for more information.)

TO REGISTER VIA THE WEB, go to PLUS at www.colorado.edu/plus and click on the "Registration" button. Then enter your student ID number and your PIN. Follow the instructions on the web pages from there. Enter the 5-digit course call numbers to register for courses. Every time you want to process a request, click on the "Submit" button. When you are done registering, verify your schedule by clicking on the "Schedule" tab at the bottom of the page. Be sure to exit web registration when you're done.

TO REGISTER VIA CU CONNECT, follow the instructions and the codes in the shaded area of the form (and the codes listed on page 16). Call CU Connect at 303-938-8110, and a recorded voice will guide you through all the steps and will request the following information. Wait for the recorded voice to respond before proceeding with the next entry.

- the Boulder campus code **1**
- main campus code **2**
- the registration application code **1**
- the fall semester 2003 term code **037**
- your university student number _____
- your personal identification number (PIN) _____

Fill out this form completely. When prompted, enter the courses you've listed below. Press the star (*) or pound (#) keys as indicated. **Whenever you press the # key, wait for the recorded voice to respond before proceeding with the next entry.** For more time between entries, press #.

6 Drop/Add

After the registration deadline (August 21 for incoming freshman and transfer students and August 15 for all other students), you may not make any adjustments to your schedule until your drop/add time assignment begins on either August 22 or 24. Once your drop/add time assignment begins, you may make final adjustments to your schedule through the add and drop deadlines. (See page 19 for deadlines.)

Time assignments during the final drop/add period are based on the last two digits of your student number. **You are not able to drop or add courses through CU Connect, at a department office, or via web registration until your drop/add time assignment begins.** Time assignments are changed each semester to ensure fairness.

Last Two Digits of Your Student Number: Drop/Add Time Assignment Begins

24-43	3:00 p.m., August 24

Dropping and Adding Courses

Complete the drop/add form on page 21 of this handbook by filling out call numbers, department abbreviations, course numbers, and section numbers of courses that you want to drop and/or add to your schedule. Because there may be many closed courses, have several alternate courses selected. (See page 14 for information about course-available lists on the Web.)

You may drop and add courses via CU Connect at **303-938-8110**, or via web registration (**www.colorado.edu/plus**) any time after your drop/add time assignment begins. To adjust your schedule by phone or the Web, follow the registration instructions on page 17. Computer lab locations are listed on page 36.

If you have questions or concerns about your schedule, you should see your academic advisor or dean's office. If you have questions about a course in particular (regarding restrictions, prerequisites, wait lists, etc.), you should see the appropriate academic department. See pages 22-23 for a listing of academic department locations and phone numbers. If you have questions or concerns about how dropping or adding a course will affect your bill, contact the Bursar's Office. (See page 7.)

The Bursar's Office offers a service that enables students to access their bills via PLUS at **www.colorado.edu/plus**. Students can also give other parties access to view their bill and account detail.

Web Registration and CU Connect Hours**August 22—September 9**

Monday—Friday
(including Labor Day holiday),
7:00 a.m.—midnight;
Sundays: 11:00 a.m.—midnight

Exception: September 3 (Wed.), the add and wait list deadline, web registration and CU Connect are only available until 5:00 p.m. for adding courses and adding your name to course wait lists. After 5:00 p.m. on September 3, the Web and CU Connect are only available for dropping courses (through 5:00 p.m. on September 10, the drop deadline).

September 10, 7:00 a.m.—5:00 p.m.

NOTE: After 5:00 p.m. on September 10, you may only view your fall class schedule on the Web or list it via CU Connect.

Administrative Drops

Administrative drops are initiated by departments. If you have not met all the course requirements or do not attend your courses regularly during the first few weeks, you may be administratively dropped from any course. Check with each department for policies concerning administrative drops.

Deadlines for Adding Courses

• **Add Deadline**—The deadline to add a course, including independent study and thesis, without the instructor's signature is **5:00 p.m., Wednesday, September 3**. *To add a course after September 3 and through September 12 you must have the signature of your instructor on a special action form.* In general, instructors only approve an add if you've been attending regularly, and there's space in the course.

• **Deadline to Add without Petitioning Your Dean**—The deadline to add a course without petitioning your dean is **5:00 p.m., Friday, September 12**. (**NOTE:** You must have instructor's signature on a special action form to add a course after September 3 and through September 12.) *No adds are permitted after September 12, unless there are extenuating circumstances clearly beyond your control (accident, illness, etc.).*

September 12 (5:00 p.m.) is also the deadline to change variable-credit hours, pass/fail, and no-credit status on courses. These changes can be made at the registrar's office in Regent 105 through 5:00 p.m. on September 12.

**CU Connect,
the telephone
registration
system, will be
retiring soon.
(See page 16.)**

Deadlines for Dropping Courses

Drop Deadline - The deadline to drop a course without the instructor's signature, without being assessed tuition and fees for that course, and without a *W* grade showing on your transcript is **5:00 p.m., Wednesday, September 10**.

For courses dropped after Wednesday, September 10 (5:00 p.m.), no tuition and fee adjustments are made and you will receive a *W* grade on your transcript for dropped courses.

To drop a course after September 10 and through October 8 you must be passing the course, and a special action form must be signed by your instructor and turned into the registrar's office. No tuition or course fees will be refunded.

Deadline to Drop without Petitioning Your Dean - The deadline to drop a course without petitioning your dean is **5:00 p.m., Wednesday, October 8**.

After October 8 you cannot drop a course unless there are circumstances clearly beyond your control (accident, illness, etc.).

To drop a course after this date you must have your dean's approval, as well as the approval of your instructor. Their signatures must be on a special action form or your request will not be processed.

NOTE: Dropping all your Boulder main-campus courses constitutes withdrawing from the university. See page 42 for withdrawal information.

The CU Environmental Center Helps You to Save Your Money and the Earth!

Ten Reasons Not to Bring Your Car to Campus

- 1) You can save thousands of dollars in insurance, parking, payments, gas, and maintenance.
- 2) You can get everywhere you need to go on the bus.
- 3) Every gallon of gas you don't burn saves 28lbs of CO₂ from escaping into the air.
- 4) Parking is expensive (About \$235 for the year!) and you can count on a long walk home from your lot.
- 5) You can bike anywhere in Boulder in minutes.
- 6) No car on campus means no car to get broken into.
- 7) Your student bus pass is included in your fees, so you can take the bus and light-rail for free all around Boulder and Denver.
- 8) Driving is dangerous! There are nearly 6.5 million auto-accidents in the United States each year.
- 9) CU students ride their bikes for almost a third of their trips — among the highest in the country.
- 10) Biking is a healthy and fun way to get exercise.

Get Where You Want to Go Without Driving Your Car

- 1). Shop Till You Drop — Take the HOP, SKIP, JUMP, BOUND, LEAP, DASH and STAMPEDE around town. The HOP runs between campus, downtown, and Crossroads mall every ten minutes. The SKIP runs every six to ten minutes the full length of Broadway.
- 2). Go Out and Party — The night HOP 1 and 2 run until 3:00 am during the school year on Thurs. through Sat. You can get around safely and easily when the night life starts rocking!
- 3). Get Home Safely — Use the Night Walk and Night Ride service for after-dark trips to and from campus. Call 303-492-SAFE
- 4). Bring Your Bike — All RTD buses have bike racks or storage, so you can bring your favorite two-wheeled friend along.
- 5). Flyin' High — Your BuffOne Card will get you to DIA for free. That way, you don't have to hassle with driving to the airport and paying expensive parking fees.
- 6). Hit the Slopes — The CU Ski Bus leaves campus on weekends for Front Range ski areas. It's a cheaper, safer way to get there!
- 7). Get Out of Town — Ride the bus for free to Denver, Eldora, Golden, Lafayette, Longmont, and Louisville. Regional busses are comfy coach liners with room for luggage and bicycles. The bus to Denver only takes 40 minutes and runs late into the night!

If dropping and adding courses, you may first want to complete this form. List all adds, drops, section and grade- or credit-type changes you are requesting so you'll be prepared. Also list all of your alternate choices.

Important: If you attempt to change the status of a course from or to pass/fail or no credit, you may jeopardize your enrollment or wait-list position. You should go to the registrar's office in Regent 105 so these changes can be made without jeopardizing your enrollment in the course. **For more information see highlighted note on page 37 regarding making pass/fail and no-credit grade option changes.**

Colleges, Schools & Departments

The following list of colleges, schools, and departments is for your reference. (See campus map on pages 126–127.) You should plan to do all your registration and drop/add activity either via CU Connect, or via web registration, or using any combination of these methods. If you have questions or concerns about your schedule, you should see your academic advisor or dean's office. If you have questions about a particular course (regarding restrictions, prerequisites, wait lists, etc.), you should see the appropriate academic department.

GO GREEK!

The Interfraternity Council is made up of sixteen fraternities each unique in thier own way, making it possible to create a house for everyone. 10% of the student body is Greek making us the most powerful student group on campus. This opens up several opportunities in the Student Government as well as the University. Rush is free and there is no commitment, so come on out and see what we have to offer!

The Panhellenic Association is made up of ten sororities filled with diverse women creating a powerful group of campus and community leaders. We are devoted to scholarship and service, as well as having a good time. Come see everything that being in a sorority has to offer. We look forward to getting to know you.

For information on how you can Go Greek please go to our website @ www.coloradogreeks.com, or contact us by phone at (303) 492 - 6359.

Any student who registers for classes at the University of Colorado at Boulder agrees to pay the university according to the payment terms documented on the following pages of this *Registration Handbook and Schedule of Courses*.

Tuition and Fees

Tuition and fees are due by Wednesday, September 3, at 6:00 p.m. if paid in person or mailed, or before midnight if paid using E-check via the Internet. There are penalties for nonpayment and for late payment. (See pages 31-32.) Postmarks do not constitute receipt of payment. Paying via the Internet is a great alternative!

NOTE: See page 18 for information on receiving your schedule/bill.

Understanding Tuition Charges

- After September 10 there are no tuition or course-fee adjustments for courses dropped. However, tuition for courses added is charged and billed.
- Additional tuition is charged for every credit hour added over 18.
- Tuition for a no-credit course is the same as for a course taken for credit.

- Tuition for a 0-hour course is charged at the rate of a 3-credit hour course.
- Students enrolled in two different degree programs are charged tuition for the college or school with the higher rate.

Graduate Research and Teaching Assistant Information

Graduate students who receive teaching or research assistant (TA or RA) appointments are eligible for certain tuition benefits and health insurance. These benefits include;

- Payment towards the cost of your tuition based on the number of hours employed per week.
- Partial payment towards the cost of your health insurance if you choose the Buff Limited or Buff Max Plan.

RAs and TAs are responsible for paying mandatory fees, course fees, and the balance of the tuition and health insurance cost each semester. All tuition and fees, for both the department and student, are due by the published due dates each semester. Late and service charges are billed if payments are not received on time. For more information, go to www-bursar.colorado.edu or call the Bursar's Office at 303-492-5381.

Breakdown of UCSU Student Fees

Full Fees	\$258.32
------------------------	-----------------

UCSU student fees are mandatory for students enrolled in more than one class or in one class of more than 5 credit hours, and may only be waived due to extraordinary circumstances. If fees are waived, the base fee of \$58.06 must still be paid. **Petitions to waive UCSU fees must be received by 5:00 p.m. on September 3. No late petitions will be accepted.** Petitions may be picked up and turned in at the UCSU office in UMC 125, and must include documentation of the reasons for waiving the fees. Direct questions to UCSU at 303-492-7473.

NOTE: Students covered by Golden Buffalo Student Health Insurance cannot waive their full student fees. Student fees are broken down as follows:

- UCSU Fees - approved by vote of elected student representatives.

NOTE: Students covered by university health insurance cannot waive their full student fees.

Fall 2003 Course Fees

Course fees are assessed to help offset the higher costs of specialized supplies, equipment, materials, and instructional and related support that are required to teach courses in certain departments. **NOTE:** 2002-2003 course fees are listed by each department in the course listings beginning on page 46. A list of 2003-2004 course fees will be available July 2003 on the Web at www-bursar.colorado.edu and at the Bursar's Office.

Enrollment Deposit

Your \$200 enrollment deposit is held for you by the university until you:

- drop all classes in a semester within established dates and guidelines (see page 42), or
- officially withdraw within established dates and guidelines (see page 42), or
- graduate.

At that time, the deposit is credited toward any outstanding financial obligations you might have, and a refund check is mailed to you or directly deposited into your bank account within approximately eight weeks. Update your permanent address at the Office of the Registrar, or via PLUS at www.colorado.edu/plus, before you graduate or withdraw. Interest earned from enrollment deposits is used for student financial aid.

If you enroll at the university the semester following your graduation, your enrollment deposit remains on your account. It is then refunded to you, in accordance with established university policy, when you are no longer enrolled.

Residency

Petitions for in-state tuition for fall 2003 are accepted between April 1, 2003, and July 18, 2003, in the Office of the Registrar, Regent 105, University of Colorado at Boulder, 68 UCB, Boulder, CO 80309-0068. Students are advised to submit fall petitions by May 15, 2003, to insure timely processing for financial aid and billing purposes.

Late petitions are accepted through August 29, 2003, but students who submit petitions after July 18 will not receive a decision by the tuition-payment deadline. Adjustments and reimbursements are made if a student's application was submitted by August 29 and is approved. Students who submit late petitions must pay full out-of-state tuition by the published deadline to avoid the late charge. For late petitions, the tuition amount and service charge is adjusted only for approved petitions.

Complete information regarding the requirements for in-state residency status is available on the Web at registrar.colorado.edu/support/Residency/residency.htm, at the Tuition Classification Office, Regent 105, by calling 303-492-6868, or by e-mail: tuitclass@registrar.colorado.edu.

Golden Buffalo Student Health Insurance Fall 2003

It is understood that at times illness and/or injury can interrupt your studies and personal goals. Therefore, CU-Boulder sponsors the Golden Buffalo Student Health Insurance Plans: Buff Value, Buff Limited, and Buff Max to guarantee needed health care with minimal financial difficulty, if such needs arise.

The University of Colorado at Boulder has a mandatory policy statement that requires all students taking 6 or more credit hours to be covered by a health insurance plan. Students may elect coverage under their own insurance, through an employer, their parents, or the university will provide an insurance plan designed to meet most students' needs. The university requires students to take positive action in order to waive the insurance coverage provided by the university. The University of Colorado at Boulder encourages students to research various health plan options, so that they make informed health care choices.

Students taking 6 credit hours or more are automatically enrolled and billed by the university for the Golden Buffalo Student Health Insurance Buff Limited, unless you select or to waive the health insurance by **September 3, 2003**.

To select any one of the Golden Buffalo Student Health Insurance Plans: Buff Value, Buff Limited, Buff Max, or to waive the insurance for fall 2003, go to www.colorado.edu/plus. (You need your PIN number.) You may also go to the Golden Buffalo Student Health Insurance Office, located at the Health Center (Wardenburg), room 251, to enroll and pay the premium. Your final deadline to select or waive the insurance is September 3, 2003. The insurance selected for fall 2003 automatically extends through the spring semester and summer 2004.

Exceptions

Enrollment is not automatic for the following:

- students taking 5 credits or less (including graduate and law students)

- students taking 5 credits or less (including graduate and law students) must select a plan to be enrolled in the Golden Buffalo Student Health Insurance. The deadline for enrolling is September 3, 2003. This may be done online through the PLUS system (you need your PIN number).

- ACCESS students
- continuing education students
- spouse/domestic partner and dependents
- Semester at Sea students
- study abroad students
- Time Out students

Those in the exception category above must go to the Golden Buffalo Student Health Insurance Office, located in Wardenburg Health Center, room 251, to enroll and pay the premium and student fees by **September 3, 2003**, for fall 2003 insurance coverage.

Review of Student Health Insurance Plans

You may go online to www.colorado.edu/stuhealthinsur for more complete information.

Buff Value (a supplemental health insurance plan) is an excellent option for those who want health services on campus at the Health Center (Wardenburg) and are covered by other insurance for services off campus. The premium is very reasonable for students, and may be less than the deductible with your current comprehensive insurance plan. Spouse/domestic partner premium charges are additional. This plan is not available for dependents.

Buff Limited (a comprehensive plan) may be chosen by those who want increased coverage on campus at the Health Center (Wardenburg) and coverage off campus. Spouse/domestic partner and dependent coverage are available for an additional fee. Plan covers \$50,000 per year for each sickness or injury. (See policy for exceptions.)

Buff Max (a comprehensive plan) may be helpful for those needing increased comprehensive coverage, both at the Health Center (Wardenburg) and off campus, especially if you plan to travel abroad or need increased coverage for your spouse/domestic partner or dependents. Spouse/domestic partner and dependent coverage are available for an additional fee. Plan covers up to \$200,000 maximum lifetime benefit for each injury or sickness. (See policy for exceptions.)

In order to provide the highest benefits available, the Health Center (Wardenburg) is the primary care provider (PCP). Wardenburg Health Center is accredited by the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), a national accrediting body. It is a convenient, on-campus health care facility with medical expertise to handle your primary health care and pharmaceutical needs. The staff is composed of board-certified physicians (including an internist, gynecologist, and psychiatrist) nurse practitioners, health educators, and other health care professionals. For information on the Health Center (Wardenburg), go online to www.colorado.edu/wardenburg.

Questions, Information, Premium Costs?

Stop by the Golden Buffalo Student Health Insurance Office room 251 at Wardenburg Health Center, call 303-493-5107 or go online to www.colorado.edu/stuhealthinsur.

Wardenburg Health Center

As a service of the University of Colorado Student Union, Wardenburg Health Center provides a wide range of fee-for-service medical care including women's health, mental health, and sports medicine. Community health education department programs and services are free for students. The physicians at the health center are board-certified, and Wardenburg Health Center is accredited by the Joint Commission on Accreditation of Healthcare Organization (JCAHO). Student fees support the community health education programs and other services such as the bipolar support groups, cold-care, diabetes support group, HIV testing, interactive theater, musculoskeletal injury clinic, sexual health, wellness, CU Rape and Gender Education (COURAGE), stop smoking classes, and peer education programs. For information, call Wardenburg Health Center at 303-492-5101 or visit the web site at www.colorado.edu/healthcenter.

State/CU-Boulder Immunization Requirements

New International Student - Tuberculosis (TB) Testing

The university requires incoming (new) international students from countries where the incidence of TB is high to be tested for TB. Wardenburg Health Center provides TB testing at minimal cost. If your test results are positive and treatment is needed, care is available through the Colorado Department of Health. If you fail to be tested, a stop is placed on your registration for the following semester. For more information call 303-492-2005.

Measles, Mumps and Rubella

All degree-seeking students (including transfer and graduate students) born on or after January 1, 1957, must provide immunization documentation for two rubeola (measles), two rubella (German measles), and two mumps immunizations. **These records must be turned in no later than October 2, 2003, at 5:00 p.m. If these records are not turned in by this deadline, the university will place a "hold" on your spring 2004 registration, and you will be assessed a \$25 fee.** A signed/stamped copy of your immunizations may be obtained from your physician, high school, previous university records, or military records. Immunizations are available at cost through Wardenburg on a walk-in basis. Medical, religious, and personal exemptions are allowed by law. Your immunization record may be faxed to 303-492-1014, mailed, or delivered in person to the Immunization Office, located in Wardenburg Health Center. For more information, go to www.colorado.edu/healthcenter/immunizations/index.html or call 303-492-2005 or 303-492-8217.

Paying Your Bill

Any student who completes registration agrees to pay the University of Colorado at Boulder according to the payment terms documented under this section.

Payment Methods and Locations

- **E-check (via the Internet)**—For information about paying bills via the Web, go to PLUS at www.colorado.edu/plus. Web payments can be made from your personal checking or savings accounts only.
- **Cash**—All payments made by cash must be received at the cashier windows in the lobby of Regent Administrative Center prior to end-of-business on tuition due dates.
- **Check (personal, certified, cashier's, traveler's, credit card checks, or money orders) made payable to the University of Colorado.** Student name and ID number must be on the check. Mail the check and the top portion of your bill to the Denver post office box noted on the bill. *Do not use campus mail.*

If you write a bad check to the university (regardless of the amount), it is considered nonpayment and nonpayment penalties apply. You may be subject to late and service charges, and a stop is placed on your record. You may also be dropped from your classes. A \$20 returned-check charge is assessed, in addition to the amount due to the university. You may also be liable for collection costs, attorney fees, and prosecution under the Colorado Criminal Statutes.

- *Credit cards are not accepted.*

• Wire your payment to:

Wells Fargo Bank Colorado, N.A.
ABA #: 102000076
Account #: 182-3472752

Be sure to include student's name and ID number.

• Express Payment and Special Handling Mail*:

Office of Cash Management
Regent Administrative Center 150
University of Colorado at Boulder
41 UCB
Boulder, CO 80309-0041

* **Special handling mail includes:** certified and priority mail, federal and airborne express, and UPS.

- **Payment Drop Boxes**—Drop your payment in one of two tuition drop boxes located outside at the north and south entrances of Regent Administrative Center.

The payment deadline is 6:00 p.m. on Wednesday, September 3, 2003, if paid in person or mailed, or before midnight if paid using the Internet-check option. Postmark dates do not constitute receipt of payment.

Do not include scholarship checks with your payment to the Bursar's Office. Instead, forward all scholarship checks to the Office of Financial Aid, University of Colorado at Boulder, 77 UCB, Boulder, CO 80309-0077. If your scholarship check is not received in the financial aid Scholarship Office by the bill due date, you need to make other arrangements to pay your bill and avoid late and service charges. The scholarship is credited when it arrives and, in many cases, may generate a refund on your tuition account.

If no specific instructions are provided by the donor, the Financial Aid office automatically divides private scholarships

Tuition & Fees

of \$500 or more equally between the fall and spring semesters. Private scholarships of less than \$500 are applied in full to the current semester.

Scholarship checks should be made payable to the **University of Colorado** and sent to Scholarships, University of Colorado at Boulder, 77 UCB, Boulder, CO 80309-0077.

Original charges (less any adjustments) are always due by the first bill due date of the semester. A second bill reflecting new charges (parking permit, classes added, etc.) is mailed on September 15 and due on October 8. Check PLUS at www.colorado.edu/plus or call Voice Response at 303-492-5381 and press 1.

Checks should be written on a U.S. bank and in U.S. funds in order to avoid processing delays of up to three weeks and possible bank fees. If the delay extends beyond the tuition due date, late and service charges are assessed.

NOTE: All checks containing restrictive endorsements are null and void and nonbinding on the university.

If you do not receive a tuition and fee bill, you are still responsible for knowing the amount of your bill and for paying it on time. To access account status and/or bill information, use any of the following: access PLUS at www.colorado.edu/plus; access your E-bill account after signing up via PLUS; call Voice Response at 303-492-5381; or call toll free 1-877-278-6340.

The Bursar's Office hours from August 25 to August 29 are Monday through Friday, 8:30 a.m. to 5:00 p.m. On Tuesday, September 2, and Wednesday, September 3, hours are 8:30 a.m. to 6:00 p.m.

The Bursar's Office offers personal assistance to Spanish-speaking students and students with disabilities. If you need assistance, contact the Bursar's Office.

Two-Payment Plan

Pay one-half of your balance due by the first tuition due date and the remaining balance, plus a 1% finance charge, the following month. The minimum balance due, indicated on the reverse side of your bill, is reduced by any credits (financial aid, insurance waiver, RA/TA tuition waivers, and scholarships) applied after your bill is produced. Students can sign up one of two ways. Sign up by accessing PLUS at www.colorado.edu/plus, login, then select the "Billing and Payment" link (preferred method). Submit the request before midnight, September 3. Students can also sign up by completing and returning the two-payment plan agreement to the Bursar's Office by 6:00 p.m. on September 3. The agreement is located on the reverse side of your schedule/bill.

You must pay the balance of your bill, a 1% finance charge, and any new charges added to your bill by October 8. A second bill reflecting this balance is mailed on September 15. Make sure your billing address is current.

Failure to Pay in Full by the Due Date

A financial stop is placed on your record if you fail to pay your full tuition and fee bill by the published due date or if you fail to make half payment of the balance if you signed up for the two-payment plan. This stop prevents you from:

- registering for future terms
- participating in drop/add
- receiving an academic transcript
- receiving a diploma

In addition, if you are registered for a future term and a financial

stop is added to your record, you are at risk of losing those classes. If your payment is late, you are charged a late payment charge and a service charge. The service charge is 1% per month on the unpaid balance. The late charge is assessed according to the following schedule:

Balance Due	Late Payment Charge
\$99.99 or less	\$ 5
100-299.99	\$10
300-499.99	\$20
500-699.99	\$30
700-899.99	\$40
\$900 and over	\$50

All past due accounts are referred to the Student Debt Management (SDM) department for collection after the end of the semester. Past due service charges of 1% continue to accrue monthly as long as the debt is unpaid, and additional collection charges and attorney fees may be assessed.

Colorado law requires the university to place all delinquent accounts with a third party collection agency. Currently, SDM refers accounts to the states' Central Collection Services (CSS) office after one year, unless there exists a satisfactory repayment agreement including a signed contract with the Student Debt Management department in the Bursar's Office. The collection agency reports all past due accounts to national credit bureaus. Financial stops remain on your record until the balance is paid in full. Establishing a repayment agreement does not result in removal of stops. If your account is referred to a collection agency, you must pay any collection costs and attorney fees allowed by the Uniform Consumer Credit Code.

Getting Your Refund

If your tuition account reflects a credit balance, you are entitled to a refund. Sign up for direct deposit to avoid postal delays, incorrect addresses, and standing in line.

•**Direct Deposit (preferred method)**—If you are currently enrolled for direct deposit or sign up by August 19, and have a credit balance on your tuition account as of August 19, your fall 2003 refund will be deposited into your bank account on or about August 22 (processing times vary per bank). If a credit balance is due to receiving financial aid at the beginning of the semester, a refund will be released approximately three days prior to the first day of classes. Throughout the semester, whenever your tuition account reflects a credit balance, your refund will be deposited to your bank account in approximately 3 business days after a credit balance appears on your tuition and fee account.

Sign up for this service via PLUS at www.colorado.edu/plus, select the Billing and Payment link, and follow the instructions.

•**Refund Checks**—If you do not sign up for direct deposit, and your tuition account reflects a credit balance as of August 18, a refund check will be mailed to your local mailing address on August 21. This refund **cannot** be picked up.

Checks are mailed to your local mailing address on a monthly basis throughout the semester.

Financial Aid

If you have not yet applied for financial aid, you may still apply by completing the 2003-2004 Free Application for Federal Student Aid (FAFSA). Students are encouraged to apply by April 1, 2003. Due to funding limitations, some forms of assistance might not be available to late applicants.

Applications are available from the Office of Financial Aid, Regent 175, or on the Web at www.fafsa.ed.gov.

Preapplication worksheets to help with web applications are available at the same web address. For more detailed information, visit the financial aid office, the web site www.colorado.edu/finaid, or call 303-492-5091.

Financial aid includes grants, scholarships, work-study, and loans, and is usually awarded based on financial need. Grants and university scholarships are automatically applied to your bill. Student and parent loans are credited to your bill after you submit signed promissory notes. Before a promissory note for a parent loan can be signed, a credit check must be completed for the parent borrower. The process for approving a parent loan can take several weeks, so plan accordingly when accepting this type of loan. If your tuition account reflects a credit balance, you are entitled to a refund (see Getting Your Refund on this page).

Less Than Full-Time Enrollment

Students have until **Friday, September 12** (the last day to add classes without petitioning their dean), to finalize their fall semester class schedules. **Students who are not enrolled full-time by Friday, September 12, might have their financial aid reduced to reflect their actual enrollment status.** The week of September 15, revised award letters are mailed to students whose aid has been adjusted because they are not enrolled full-time.

Students who have specific questions about how less-than-full-time enrollment affects their financial aid should contact the Office of Financial Aid.

Short-Term Loans

Short-term loans up to \$500 are available to students during periods of enrollment and between fall and spring semesters. You must be at least 18 and enrolled at least half time on the Boulder campus to qualify (ACCESS and Continuing Education students are not eligible), and you must present your photo ID. All loans must be backed by financial aid or have a cosigner. Apply for short-term loans in the Office of Financial Aid, or in the University Student Loan Office.

Veterans' Benefits

If you are entitled to veterans' benefits, write Veteran Services, Office of Financial Aid, University of Colorado at Boulder, 77 UCB, Boulder, CO 80309-0077, or call 303-492-7322 for further information.

Withdrawing and Financial Aid

The *Withdrawal Policy Regarding Tuition and Fees* states that students who pay their \$200 enrollment deposit and register for classes for any given semester are obligated to pay full tuition and fees for that semester unless they *officially withdraw* from the university. If you begin classes at CU-Boulder, receive financial aid, and then withdraw, your financial aid will be adjusted according to the following federal regulations. (See page 42 for withdrawal procedures.)

Return of Unearned Title IV Aid

(34 CFR 668.22)

The federal rules state that you earn your aid based on the period of time you remain enrolled.

Enrolled days divided by days in the enrollment period equals the percentage of aid earned.

The Office of Financial Aid calculates the percentage of aid earned using this formula. If you remain enrolled beyond the 60% point, you earn all aid for the period. Aid earned is credited to your tuition and fee bill.

Repayment of Unearned Aid

(34 CFR 668.22 g,h,i)

The responsibility to repay unearned aid is shared by the institution and the student.

The institution's share is the lesser of:

- the total amount of unearned aid, or
- the institutional charges multiplied by the percentage of aid that was unearned.

The students' share is the difference between the total unearned amount and the institution's share. The institution's share is allocated among the Title IV programs, in an order specified by statute. Any amount owed to a grant program is reduced by half. The same refund and repayment policy applies to state and institutional grants. Refund and repayment of institutional scholarships, athletic scholarships, private scholarships, and third party scholarships is determined by the donor.

Funds are returned in the following order:

Title IV

Federal Stafford Loan (unsubsidized)

Federal Stafford Loan (subsidized)

Federal Perkins Loan

Federal PLUS (Parent) Loan

Federal Pell Grant

FSEOG

SSIG/LEAP

Other Federal Aid

Financial Aid/General Information

State and Institutional Aid

Colorado Student Grant
Colorado Graduate Grant
Colorado Undergraduate Grant
Colorado Outreach Grant
Colorado Athletic Grant (CCHE)
Institutional Aid

Other Aid

Institutional scholarships
Athletic scholarships
Private scholarships
Third party scholarships

This policy applies to students with financial aid who officially withdraw. It may also apply to those who stop attending classes without formally withdrawing. Students who do not formally withdraw are required to document their last day of attendance.

Examples of refund calculations are available upon request. Visit with a financial aid counselor for more information regarding your specific situation.

Appeals

In the case of a prolonged illness, accident, death in the family, or other circumstances that make it impractical to complete the semester, you may submit an appeal through the Bursar's Office. The Bursar's Office reviews the information provided and determines a settlement that is reasonable and fair to both you and the university.

Balances Due

If unearned aid results in a balance due, a revised tuition and fee bill will be mailed to you by the Bursar's Office. It is your responsibility to repay those funds. To ensure that you receive information in a timely manner, make sure that your address and phone information is up to date. Many of the questions you might have about registration procedures related to registration are answered in this section.

Addresses

The following addresses on your student record must be kept current:

•**Billing address** (your address for tuition and fee bill mailings). The address you want all of your tuition and fee bills mailed to throughout the year, including the first schedule/bill mailing prior to the start of each semester. **Exception:** Schedule/bills for new students who register at orientation in August or for students who register the second week in January are mailed to your mailing address at the beginning of the semester.

If no billing address is given, your first schedule/bill of each fall or spring semester is mailed to your permanent address and all subsequent bills to your mailing address. If you are enrolled in summer and no billing address is given, all summer schedule/bills are mailed to your mailing address.

•**Mailing address** (your address during the fall and spring semesters and during the summer months if you're enrolled in summer classes). Registration information for future semesters, outstanding tuition and fee bills (if you don't have a billing address on record), refund checks, and financial aid information are mailed to you at this address from late August through mid-May (and throughout the summer if you're enrolled in summer classes). **Exception:** Your permanent address is used during the winter semester break.

NOTE: An accurate local mailing address is also important in case the university needs to reach you due to a family or personal emergency, so be sure to give the university a local mailing address.

•**Permanent address** (considered your "home-base" address). It can be your parents' address, a Boulder address, or the address of someone who knows how to reach you. Schedule/bills are mailed to this address before the semester begins (unless you specify a billing address). This address is also used for mailings during the summer months and during the winter semester break. **Exception:** If you're enrolled in summer classes, your mailing address is used during the summer months.

You can look up any of your addresses on the Personal Look-Up Services (PLUS) at www.colorado.edu/plus (see page 38) and, if needed, update your addresses via PLUS. Or you can fill out a change-of-address form at the Office of the Registrar in Regent 105, in the Office of Financial Aid in Regent 175, or by calling 303-492-6970 and pressing "1".

Other offices, such as the library, housing, payroll, and Wardenburg, have separate address systems and changes must be made there as well.

NOTE: The address that appears on your student record (and PLUS) also appears on the directory on CU-Boulder's home page on the Web. When you make a change to any of your addresses, the change is normally updated on your student record within 24 hours. **Exception:** If you update your address via PLUS, your addresses are updated on your student record immediately (real time). Addresses on the web directory are updated within 36 hours.

•**If you do not want your address to be part of directory information**, you may request that "limited privacy" be put on your record. See pages 36-37 for more information about "limited privacy" as well as other privacy options under "Confidentiality of Student Records."

The following section contains general information related to registration and records.

Advising

Check your invitation to register or registration status on the Web (see page 9) for advising requirements. If advising is required or if you wish to speak with an advisor:

- **Arts and sciences students**—Schedule an appointment to meet with your academic advisor well in advance of registering. Visit aac.colorado.edu to schedule an appointment with your advisor. Be sure to bring a printout of your degree audit from PLUS as well as a completed registration form (see page 17) including alternate course selections to your advising appointment. Remember that advisor's schedules fill very quickly during registration. Make your appointment immediately. If you are planning to change your major, you should do so well in advance of the beginning of the registration period for the following term.
- **Engineering students**—Call your faculty advisor, your major department, or your dean's office for advising.
- **Students in any other college or school**—Call your dean's office.

Pay for Print Program

As the 2003 fall semester begins, students will notice a change in the computer labs across campus. Access has not been changed, however, there will now be a fee to print from the computers in these labs.

After study, a task force of the Information Technology Council, established that escalating costs and the environmental concern of paper usage necessitated a need to implement a Pay for Print Program. The fee applies in all computer labs operated by Information Technology Services, housing, the library system and the Law Library. Black and white printing is available in all labs and color available in select, high-volume labs.

Details about the program are available in each lab, on the Web, and in other publications.

Photo ID / Campus Card Program

The Buff OneCard™ is your official CU-Boulder student ID to be used for your entire career at CU-Boulder. The card is required as official verification of eligibility for many student privileges, including access to the Student Recreation Center, all campus libraries, Wardenburg Health Center, access to housing dining centers, purchasing tickets for athletic events, and riding on local and regional RTD buses.

• **Buff OneCard™ Features**—The Buff OneCard™ also offers many convenient, optional programs.

Buff Gold™—links your card to the U of C Federal Credit Union to make it an ATM/Debit card.

Buff Points™—show your card to earn points when purchasing off campus. Points are collected and can be redeemed for special discounts and free merchandise.

Buff CallingCard™—lets you use your card as a long distance calling card that bills you only \$.08/minute, 24 hours a day, nationwide on all your calls.

For more information about these and other programs, call the Campus Card Office at 303-492-0355 or visit our web site at www.BuffOneCard.com.

• **Replacement ID**—If you lose your card or believe it has been stolen, call 303-492-1212 immediately to have the card deactivated. This prevents anyone who finds it from using

Changing Your College or Major

If you want to transfer into another CU-Boulder college or school, check with the new dean's office for admission criteria and information on enrollment levels, application procedures, and deadlines. If you have already submitted an IUT (intrauniversity transfer) application, register as if you have been accepted into the new college or school.

NOTE:

- You might not be able to register for some courses until you have been accepted into your new college or school. Once you are accepted, you may change your schedule through the drop/add deadline. If you want to change or declare a major, go to the new major department for the required procedures.
- If you are receiving financial aid and are working on two majors (same degree) or a major and a minor and don't plan to graduate from both programs at the same time, your financial aid might be affected. For more information, contact the Office of Financial Aid in Regent 175, or call 303-492-5091.

Computer Labs

You can use any of ITS' or housing's computing labs to access the Internet and register online. Labs that are maintained by housing are in every residence hall. ITS labs are located in other buildings across campus including Business, Clare Small Arts and Sciences, Duane Physics, Economics, Education, Ekeley Sciences, Engineering, Environmental Design, Fleming Law, Helles, Macky, Muenzinger, and Norlin Library. See the ITS web site at www.colorado.edu/its/labs for a complete list of ITS computer lab sites.

You can also access the online registration page from your residence hall room using Ethernet connectivity (go to www.colorado.edu/totalcomm for further details) or from off-campus locations by dialing into the modem pool (go to www.colorado.edu/its/docs for instructions).

Confidentiality of Student Records

The Family Educational Rights and Privacy Act (FERPA) affords you certain rights with respect to your education records. They are:

1) The right to inspect and review your education records within 45 days of the day the university receives a request for access.

You should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) you wish to inspect. The university official will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise you of the correct official to whom the request should be addressed.

2) The right to request the amendment of your education records that you believe are inaccurate or misleading.

You may ask the university to amend a record that you believe is inaccurate or misleading. You should write the university official responsible for the record, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading.

If the university decides not to amend the record as requested by you, the university will notify you of the decision and advise you of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you when notified of the right to a hearing.

3) The right to consent of disclosures of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic or research or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent; employment or degree verification agencies such as the National Student Loan Clearinghouse and Credentials, Inc.); a person serving on the Board of Regents; the Alumni Association and Foundation on the Boulder campus; a student employee; or a student serving on an official committee, such as a disciplinary or grievance committee, or one assisting another school official in performing his or her tasks. In addition, your records may be disclosed to your parent(s) upon request if your parent(s) claim you as a dependent for income tax purposes.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the university discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

The Family Compliance Office
U.S. Department of Education
600 Independence Avenue, SW
Washington, DC 20202-4605
202-260-3887

The following items of student information have been designated by the University of Colorado at Boulder as public or "directory" information: name, mailing and permanent addresses, local telephone number, e-mail address, dates of attendance, registration status, class, previous educational institutions attended, major field of study, awards, honors, degree(s) conferred, past and present participation in officially recognized sports and activities, physical factors (height, weight) of athletes, prior schools attended, and date and place of birth. Such information may be disclosed by the institution at its discretion. Buff OneCard photos and numbers (not social security numbers) are not considered directory information but are shared with other campus departments and associates of the Buff OneCard program.

Privacy Designations

You have the right to withhold "directory information" from inquirers by selecting a "privacy" or "limited-privacy" option. The privacy option will prevent all directory and enrollment information from being released to all who do not have a clear educational interest for access to this information. The limited-privacy option will prevent the release of directory information to off-campus inquirers and to campus directory services, but is not as restrictive as the privacy option. Requests for either privacy or limited-privacy designation on the educational record can be made at the Office of the Registrar, Regent 105, between 9:00 a.m. and 5:00 p.m., Monday through Friday. Students also have the option to complete a form that gives parents, as listed as mother or father only on the Student Information System, access to educational records. This form is available in the Office of the Registrar. Students must bring in proper identification when making any of these requests. For more information, go to registrar.colorado.edu/support/privacy.htm.

Release of Disciplinary Information

Provisions of the Family Educational Rights and Privacy Act of 1974, as amended by the Higher Education Amendments of 1998, govern access to a student's disciplinary file. The student and/or those university officials who demonstrate a legitimate educational need for disciplinary information may have access to the student's disciplinary file. Parent(s), who provide proof that a student is a dependent as defined in Section 152 of the Internal Revenue Code of 1954 (i.e., a copy of the last federal income tax return listing the student as a dependent), can have access to the student's disciplinary file without written consent of the student. In this case, parents may also have access to a disciplinary file, even if the student has requested otherwise.

In addition, parent(s) may be notified if a student under 21 is found responsible for a violation involving use or possession of alcohol and controlled substances.

The Campus Security Act permits higher education institutions to disclose to alleged victims of any crime of violence (murder, robbery, aggravated assault, burglary, motor vehicle theft) the results of the conduct proceedings conducted by the institution against an alleged perpetrator with respect to such crime. The Campus Security Act also requires that both the accused and the accuser be informed of campus conduct proceedings involving a sexual assault.

Additionally, the Higher Education Amendments of 1998 permit disclosure of the final results of disciplinary cases in which a student has been found responsible for a violation involving violence or for a sex offense.

Credit-Hour Limits and Course-Load Definitions

During the registration period (which begins March 31), undergraduate students can register for a maximum of 19 credit hours (15 credit hours for graduate students and 16 credit hours for law students), including wait-listed courses.

During the final drop/add period (beginning August 22), undergraduates are allowed to register for up to 21 credit hours, including wait-listed courses. **NOTE:** A tuition surcharge is assessed for every credit hour added over 18.

For undergraduate students, 12 credit hours is considered a full-time load for financial aid and for enrollment verification purposes. Graduate students qualify for full-time status for enrollment verification purposes if they are enrolled for 5 or

more hours or any number of thesis hours. Law students need 10 or more hours for full-time status. Check with the Office of Financial Aid for full- and part-time status definitions for graduate students.

Credit and Grading Options

You can select the following credit and grading options via CU Connect and web registration when you register for courses. To make changes to credit and grading options on a course in which you are already enrolled, go to the registrar's office in Regent 105 by **5:00 p.m. on Friday, September 12.**

NOTE: If you attempt to change the status of a course from or to pass/fail or no credit by telephone or via the Web, you will not be able to re-enroll in the course if it is closed or a wait list exists for the course. You can make this change without jeopardizing your enrollment in the course by filling out a credit-option change form at the registrar's office in Regent 105 by the deadline.

- **No Credit.** To register for a course on a no-credit basis, call CU Connect and select the no-credit option (see page 16), or select the no-credit option when registering via the Web. You still pay full tuition for a no-credit course, but you do not receive a grade. An *NC* appears on your transcript in place of a grade. Check with your college or school for policies on no-credit status and how it may be used. No-credit courses do not count toward full-time enrollment for financial aid purposes. **The deadline to designate or remove no-credit status on courses is 5:00 p.m. on Friday, September 12. (See NOTE above.)**

- **Pass/Fail.** Check with your college or school for the restrictions on the number and types of courses that can be taken pass/fail. To register for a course pass/fail, call CU Connect and select the pass/fail option (see page 16), or select the pass/fail option when registering via the Web.

Once you have signed up for a course on a pass/fail basis, it is not noted on class rosters or final-grade lists, nor should your instructor be notified that you are taking the course pass/fail. You are assigned a grade for the course. A grade of *D-* or above is converted to a *P*; an *F* remains an *F*. Only the *F* is calculated as part of your GPA; a grade of *P* is not counted. **The deadline to designate or remove pass/fail status on courses is 5:00 p.m. on Friday, September 12. (See NOTE above.)**

- **Variable Credit.** All independent study courses and some regular courses are offered on a variable-credit basis (that is, they have a range of minimum and maximum credits). When you register via CU Connect or via the Web for a variable credit course, enter the number of credit hours you want to receive for the course when prompted. The number of credits can be changed at the registrar's office during the registration and drop/add periods through **5:00 p.m., Friday, September 12.**

E-Mail the Registrar

Have you ever had an academic records-related or registration-related question but didn't know whom to ask? Or have you ever had a comment you wanted to share with us about one of our programs or processes?

E-mail the registrar's office at registrar@colorado.edu to get some answers or make your comments. Your e-mail will be read by a staff member in the registrar's office and then forwarded to the appropriate person for a response.

General Information

E-mail Policy

E-mail is an official means of communication from CU-Boulder administrators and faculty to students. All students have an official CU-Boulder e-mail address. Students are expected to check their CU-Boulder e-mail on a frequent and consistent basis in order to stay current with university-related communications.

Grade Information

To see your grades at the end of the semester:

- Look up your grades on PLUS on the Web at www.colorado.edu/plus.

NOTE: Spring semester 2003 grades will be available on PLUS beginning May 9. Fall semester 2003 grades will be available beginning December 18.

• **Order official transcripts by:**

- **mailing a signed written request** to Transcripts, University of Colorado at Boulder, 68 UCB, Boulder, CO 80309-0068
- **faxing a signed request** to 303-492-4884
- going to **PLUS web site** www.colorado.edu/plus (you need your student ID number and PIN)

The above methods for ordering official transcripts are free of charge and are normally processed within four business days and sent by first class mail. Contact 303-492-8987, or visit our web site at registrar.colorado.edu/support/transcripts.htm for rush service information.

- **Order an unofficial transcript** for \$1 (next-day service) or \$5 (same-day service) at the transcript window, Regent lobby. Unofficial transcripts are not mailed off campus.

Graduation

If you plan to graduate within the next year, you must check with your dean's office for graduation application deadlines and notification procedures.

Graduating students with Federal Perkins/NDSL loans must complete a loan exit interview before leaving the university.

NOTE: If you are receiving financial aid and are working on two majors (same degree) or a major and a minor and don't plan to graduate from both programs at the same time, your financial aid might be affected. For more information, contact the Office of Financial Aid (Regent 175), or call 303-492-5091.

PLUS: Viewing Your Records Online

Personalized Information

You can view the following information on PLUS (Personal Look-up Services) on the World Wide Web by using your university student number and personal identification number (PIN):

- your grades
- your degree program information (primary and secondary college, major, and class standing)
- your class schedule for past and current terms, and all future terms for which you have registered
- required books for your classes
- unofficial transcripts
- math module grades
- your current semester billing
- financial aid application status, award status, and estimated expenses
- telecommunications long-distance charges
- your current addresses
- degree audit for certain colleges (see below for more information)

You can also **update your addresses, change your PIN, order a transcript, and select or waive your health insurance for the fall semester.**

Access PLUS at www.colorado.edu/plus.

Degree Audits

Degree audit reports are available on the Web for students in the College of Architecture and Planning, the College of Arts and Sciences, the Leeds School of Business, the School of Education, the School of Journalism and Mass Communication, and the College of Music. The address is www.colorado.edu/plus. In addition, arts and sciences students may request major audits from their major department. Students in the College of Engineering and Applied Science or the Graduate School must contact their respective dean's office concerning academic progress.

Schedule Planner

The schedule planner, a tool you can use to plan your schedule and find out additional course information, is also available via PLUS. See page 14 for more information about the schedule planner feature.

Web Registration

You can also access web registration via PLUS. See pages 14 and 17 for more information about web registration.

Registrar's Home Page

The registrar's web site registrar.colorado.edu includes most of the information in this handbook, including a listing of classes for fall 2003. It also includes important policy updates, future academic calendars, and a list of frequently asked questions.

A number of different registrations are held each semester for specific categories of students. If you have questions about any of these registrations, call the number listed in that section or see the *University of Colorado at Boulder Catalog*.

ACCESS Registration

Nondegree students (students not enrolled in a degree program at CU-Boulder) may take Boulder main campus courses through ACCESS (Available Credit Courses for Eligible Special Students). Register through telephone registration (CU Connect), web registration (PLUS), or in person at the Continuing Education Office, 1505 University, beginning Friday, August 22. For information on registration eligibility and times for registration, call 303-492-5148, or visit the ACCESS web site at www.colorado.edu/conted/access.htm.

NOTE: Nondegree students who are classified as nonresidents may register for 3 credit hours or less through ACCESS and be assessed a rate less than regular nonresident tuition.

Audit Card Program

Individuals aged 18–54 who wish to attend regularly scheduled classes and who are not registered students must obtain an audit card. Auditors, in-state or out-of-state, pay in-state tuition for 3 semester hours per term (regardless of the number of class hours taken) and receive class instruction and library privileges only. An auditor's card must be presented to the instructor on the first day of class. Auditors must get permission from the professor to audit a class prior to purchasing the audit card. Once an audit card is purchased there can be no refund. Cards may be obtained from Student Billing in the Bursar's Office in Regent Administrative Center on the first day of classes. For more information, call Student Billing at 303-492-5381 or 1-877-278-6340.

Concurrent Registration

If you plan to take at least one course at CU-Boulder in the fall and cannot register for all courses required for your degree program, you might be able to register concurrently on another CU campus. The course(s) must be required for your degree program, you must have your dean's permission, and enrollment levels must not have been reached on the other campus. Graduate students must have their advisor's approval. If all these conditions are met, you may register on another CU campus for up to two courses or 6 credit hours, whichever is greater.

You cannot register concurrently until the final drop/add period has begun on the other campus. Boulder students pay Boulder tuition rates for all courses.

Concurrent registration forms and instructions are available at the registrar's office in Regent 105 beginning August 1. For information, call 303-492-5747.

NOTE: Graduate students should check with the Office of the Registrar for exceptions to the home-campus registration requirement and limitation on credit hours at the host campus.

Course Reservation Program

The course reservation program allows you reserve space in a course you need to graduate, and enroll in that course for the next semester, before the next registration period begins. All undergraduate courses offered at CU-Boulder that use wait lists, except controlled enrollment courses, are included in the course reservation program.

You are eligible to participate in the course reservation program for **spring semester 2004** if your name is on a wait list for a course as of 5:00 p.m. on September 3 (the fall semester wait list deadline), and you don't get enrolled in the course.

NOTE: This applies only to course wait lists on the Student Information System (SIS), not wait lists that might be kept manually by a department.

If you are on a course wait list as of 5:00 p.m. on September 3 and don't get into the class, you should plan to come into the registrar's office, Regent 105, 9:00 a.m. to 5:00 p.m., October 27–31, to register for the course for spring 2004. Registrations are not honored through the course reservation program after October 31. In addition, all restrictions are honored, and you must clear up any "stops" before registering. You register for all other spring 2004 courses during your regular registration time assignment.

Faculty and Staff Tuition Benefit

If you are a permanent faculty or classified staff member at the university, an instructor, a professional research assistant, a professional exempt, or professional research associate employed on a continuous basis for 12 months and are half time or greater, you may take up to 6 free credit hours each year; however, you are assessed any applicable course fees. The academic year begins with summer session. The number of free hours is prorated based on full-time employment status. Enrollment is on a space-available basis beginning the Sunday before the first day of classes. **If you register before Sunday, August 24, you are assessed full tuition and fees.**

Tuition Benefits and Registration Procedures

All permanent faculty and classified staff who wish to use their tuition benefits must complete tuition waiver forms signed by their supervisors, verifying the course is job related or career enhancing. All students except continuing students (i.e., students who were enrolled in the spring or summer semester) must also turn in the appropriate application to the Bursar's Office. Submit forms by Monday, August 4, 2003.

Applications and waivers received after this date cannot be guaranteed registration on Sunday, August 24. Registration information is available on the web site at www.bursar.colorado.edu under the Faculty/Staff Information link. You may also call 303-492-5381.

High School Concurrent Program

High school students interested in the challenge of university course work may enroll in credit courses at the University of Colorado at Boulder through the High School Concurrent Program. In addition to earning college credit, students may also earn credit toward high school graduation requirements. Registration is available through the Division of Continuing Education. For information on eligibility and times for registration using telephone or web registration, call 303-492-5148, or visit the high school concurrent web site at www.colorado.edu/conted/hconcur.htm.

Intercampus Registration

If you want to take course work on another University of Colorado campus but not go through the concurrent registration program, apply for admission to that campus, and follow its registration procedures. Check with your dean's office for approval. (Students in the College of Arts and Sciences may not register at the Denver or Colorado Springs campus except in the summer.)

Late Registration

To be guaranteed enrollment for fall 2003, you must complete registration by **midnight on August 15**. (Exception: Incoming freshman and transfer students attending the final arts and sciences orientation session in August must complete registration by 5:00 p.m. on August 21. All other incoming freshman and transfer students who have not registered by August 15 must register by 5:00 p.m. on August 21.) If you do not register by the appropriate deadline (this includes graduate students), you are subject to late registration. Only students in open categories are eligible for late registration. In addition, a lower registration priority and a **\$50 late fee** are applied.

If you are a continuing student, call 303-492-6970 on August 18 to see if you are eligible for late registration. If you are a new or readmitted student, go to the Office of Admissions in Regent 125 (303-492-6301) on August 22 to check for eligibility. Students who are eligible for late registration must go to the registrar's office in Regent 105, to be set up for late registration.

Parking Permits and Bicycle Registration

There are three ways to apply for a student parking permit for academic year 2003-04 or fall semester 2003.

- **on the Web** March 17–August 3, 2003 at ucbparking.colorado.edu.
- **by mail** March 17–August 3, 2003. Call Parking and Transportation Services at 303-492-7384 for an application.
- **at the campus permit sale** held August 21–26, 2003, at Coors Events/Conference Center.

The costs for an academic-year permit (August–May) are \$178.50, \$229.50, and \$272. Semester rates are half the academic year rates. Motorcycle permits cost \$42.50 per semester. You can pay with cash, check, credit card (VISA, MasterCard, American Express), or charge permits to your tuition and fee bill. All prices are subject to change.

Parking Permit Sale

August 21 (Thur.) 8:30 a.m.–4:00 p.m.

Law students, Kittredge and Williams Village residents, disabled students, residence hall advisors, and assigned lists.

August 22 (Fri.) 8:30 a.m.–4:00 p.m.

Law students, all residence hall students, disabled students, residence hall advisors, and assigned lists.

August 23 (Sat.) No Permit Sale

August 24 (Sun.) 8:30 a.m. - 4:00 p.m.

All student groups including commuters and residence hall students. Permits are not sold to commuter students before August 24.

August 25–26 (Mon. - Tues.)

All student groups including commuters and residence hall students.

Call 303-492-3550 for confirmation of permit sale dates and times or visit the Web at ucbparking.colorado.edu and click on "Students". If you have a disability making it too difficult for you to come to the permit sale at the Coors Events/Conference Center, call a parking representative at 303-492-7384.

NOTE: Since 1989, state law has required periodic emissions control inspections of motor vehicles in an effort to improve air quality in and around the six-county Denver metropolitan area. All vehicles driving within this area for

work or school 90 or more days each calendar year must have their emissions tested. Penalty fines may be assessed for noncompliance. For more information, call the Air Care Colorado hotline at 303-456-7090 or visit its web site at www.aircarecolorado.com.

Bike Registration

Fall 2003 bike registrations will be held at the Coors Events/Conference Center on August 21–24 from 8:30 a.m. to 3:30 p.m. After these dates all bike registrations are at the bike kiosk north of Wardenburg Health Center, Monday through Friday. Hours vary by semester. Call 303-492-2322 for more bike information.

Consider Other Alternatives to Driving

Buses and shuttles on many routes throughout Boulder, to outlying cities, and even between Boulder and the airport, make it easy to get around without a car. Your student bus pass allows you to ride free throughout the Regional Transportation District's system.

Senior Citizens Auditors Program Registration

All Colorado residents 55 and older can register in this tuition-free, noncredit program to audit classes on a space-available basis. This program is sponsored by the CU-Boulder Alumni Association. Registration for senior auditors is at Koenig Alumni Center, Tuesday, September 2, 9:00 a.m. - 3:00 p.m., and Wednesday, September 3, 9:00 a.m. - noon. Call 303-492-8484 for information.

Ditch the cheap ride

When you pay your school fees, your Buff OneCard™ student I.D. automatically becomes your ticket to ride.

Just get an RTD decal when you pick up your I.D.

Check out the ride services you get:

- all Boulder and Denver Local and Limited routes, including Boulder Hop, Skip, Leap, Bound, Jump and Stampede routes.
- All Regional and Express routes.
- all Light Rail routes
- skyRide to DIA

For route and schedule information call 303.299.6000 or visit RTD-Denver.com.

Other Registration Programs

Time Out Program

The Time Out Program (TOP) provides an opportunity for you to take a leave from the university for a semester or a year without losing your place in your current college or school. You must be in good academic standing and have your dean's approval. As a TOP student, you are guaranteed a place in your current college or school and major, provided you meet registration and deposit deadlines. When you register for your return semester, you will be given the same registration priority as other continuing students. A nonrefundable \$40 application fee is charged for the TOP program. The TOP application deadline for fall semester is **October 8**. More information is available from the Office of the Registrar, Regent 105, 303-492-8673, or e-mail timeout@registrar.colorado.edu. The TOP application and brochure are available on the web at registrar.colorado.edu/support/timeout.htm.

Withdrawal Procedures

If you need to withdraw from all of your courses for fall semester 2003, you can do one of the following. (**NOTE:** In all withdrawal correspondence, be sure to include your name, student ID number, the semester from which you want to withdraw, your signature, and forwarding address.)

- Fill out a withdrawal form in the registrar's office in Regent 105.
- Write a letter to the Withdrawal Coordinator, Office of the Registrar, University of Colorado at Boulder, 20 UCB, Boulder, CO 80309-0020.
(Exception: Nondegree students withdraw through Continuing Education, 1505 University Ave., University of Colorado at Boulder, 178 UCB, Boulder, CO 80309-0178.)
- Fax a letter of withdrawal to 303-492-8748 or 303-492-4884.
- E-mail a statement of withdrawal (if the e-mail account is in your name) to withdrawal@registrar.colorado.edu.

You need not drop your courses; this is done for you. Also, be sure to refer to the withdrawal Refund or Assessment Schedule on this page.

If you are registered for courses and do not officially withdraw from the university by contacting the registrar's office, failing grades are recorded for all of your courses.

For questions or more information about the withdrawal process, visit or call the Office of the Registrar, Regent 105, 303-492-8673, or e-mail withdrawal@registrar.colorado.edu.

NOTE:

- Deadlines and rules for withdrawing may vary within each college and school. Check with your dean's office concerning withdrawal rules.
- If you drop all your courses and don't reregister, you are considered withdrawn from the university and you should notify the registrar's office. (See withdrawal procedures above.)
- If you withdraw from CU-Boulder but plan to return to the Boulder main campus in the future, you must either go on the Time Out Program (see above) or reapply through the Office of Admissions. (Students remaining enrolled in only Continuing Education classes must still either reapply or go on TOP to return to Boulder main campus.)

Withdrawing students who have financial aid should refer to pages 33-34 for tuition assessment information.

Withdrawing students (including students applying for the Time Out Program) with Federal Perkins/NDSL loans must complete a loan exit interview before leaving the university. Failure to do so results in a stop on your record. This stop prevents you from receiving a diploma or an academic transcript of work at the university and from registering for any future terms. In order to complete a loan exit interview, contact the Student Loan Department in the Bursar's Office at 303-492-3371 or 1-800-925-8844.

Withdrawal Date	Refund or Assessment Schedule
August 15	Full refund of the \$300 enrollment deposit (excluding Materials only). Note: The deadline to withdraw and receive a deposit refund also applies to students planning to go on the Time Out Program. Note: readmitted, and transfer students are not eligible for a refund.
August 16-September 9	100% of tuition and fees are assessed. (The enrollment deposit is applied to this charge.) Note: Nondegree students are not assessed a financial penalty if they withdraw by September 10.
September 11-24	40 percent of tuition and fees is assessed or the \$300 enrollment deposit, whichever is greater.
September 25-October 2	80 percent of tuition and fees* is assessed or the \$300 enrollment deposit, whichever is greater.
October 3 through the last day of classes	No refund. 100 percent of tuition and fees due.

* Fees refer to UCBU student fees and the online fee.

Understanding Course Numbers

Courses are numbered according to the following guidelines:

- 1000-2999 Lower-division courses
- 3000-4999 Upper-division courses
- 5000-5999 Courses intended for graduate students and qualified undergraduates
- 6000-8999 Courses open to graduate students only

Enrollment in courses with a 700-, 800-, or 900-level section number is controlled by each department. The department staff will either give you the five-digit course call number that will permit you to register for the course directly (either via CU Connect or via web registration), or they will give you a special action form to take to the registrar's office.

Understanding Course Listings

The headers at the top of each column of the course listings include:

Core Diamonds—A diamond (◆) appears to the left of courses that fulfill a College of Arts and Sciences core curriculum requirement. (Refer to the Leeds School of Business degree requirements brochure for information on courses that fulfill the business core curriculum requirements.)

Course Title—Often abbreviated; refer to the *University of Colorado at Boulder Catalog* for the complete title and course description.

Section Number—This three-digit number refers to the specific meeting pattern of the course. A single three-digit number is the lecture number. When an R, L, P, or S precedes the section number, it indicates that the section is a recitation (R), a laboratory (L), a practicum (P), or a studio (S), which must be taken in addition to the lecture. Some courses might have three: lecture, lab, and recitation.

Call Number—The five-digit number, specific to a particular term, that is used for requesting a specific section of a course via CU Connect and via web registration.

Time/Days—Meeting time and days of the class (M—Monday; T—Tuesday; W—Wednesday; R—Thursday; F—Friday; S—Saturday; and U—Sunday).

Building/Room—The building name and room number where the class meets; this is subject to change. (See page 45 for the building abbreviations.)

Maximum Enrollment—The maximum number of students allowed to enroll in the course.

Notes—When a course has a prerequisite and/or a corequisite, a note (in italics) appears just after the course title. Additional course notes are inserted into each course listing, as needed, e.g., exam dates, etc.

Department Headings—These include the phone number and the department location.

Service Learning—An (SL) next to the title designates a Service Learning course. Students might be expected to complete curriculum-relevant service in the community that will be incorporated into the final grade. For more information, see Service Learning Program in the CU-Boulder catalog.

THIS DEPARTMENT USES BOTH AUTOMATIC AND RESEQUENCED WAIT LISTS. (SEE "USING WAIT LISTS" IN THE FRONT OF THIS SCHEDULE.) STUDENTS NOT ATTENDING THE FIRST TWO CLASSES MAY BE ADMINISTRATIVELY DROPPED. INDEPENDENT STUDY COURSEWORK IS AVAILABLE. CONSULT THE DEPT OFFICE. MOST UPPER-DIVISION PSCI COURSES NOW HAVE LOWER-DIVISION PREREQUISITES. PLEASE REFER TO THE UNIVERSITY OF COLORADO CATALOG. GRADUATE STANDING IS REQUIRED FOR ALL GRADUATE-LEVEL COURSES. MASTERS-LEVEL STUDENTS SHOULD ENROLL IN 5000-LEVEL COURSES. DOCTORAL-LEVEL STUDENTS SHOULD ENROLL IN 7000-LEVEL COURSES. GRADUATE STUDENTS NEEDING TO REGISTER FOR MASTER'S THESIS, MASTER'S DEGREE CANDIDATE, OR DOCTORAL THESIS CREDITS, CONSULT THE DEPT OFFICE.

Undergraduate - ECEE 1B51 (303-492-7671)

Graduate - ECEE 1B22 (303-735-0490)

MOST ELECTRICAL AND COMPUTER ENGINEERING UNDERGRADUATE COURSES ARE CLOSED TO NON-ENGINEERING MAJORS. CONSULT THE DEPARTMENT OFFICE IF YOU HAVE QUESTIONS. INDEPENDENT STUDY COURSEWORK IS AVAILABLE. GRADUATE STUDENTS NEEDING TO REGISTER FOR MASTER'S THESIS, MASTER'S DEGREE CANDIDATE, OR DOCTORAL THESIS CREDITS, CONSULT THE DEPT GRADUATE OFFICE. UNDERGRADUATES MUST HAVE A GPA OF 2.85 OR BETTER TO ENROLL IN GRADUATE-LEVEL COURSES. EACH COURSE IN THIS DEPARTMENT HAS A COURSE FEE OF \$18 (SUBJECT TO CHANGE). REFER TO THE TUITION & FEES SECTION OF THIS HANDBOOK.

◆ Indicates an arts and sciences core course.

Sections 700-899 are controlled enrollment - see department for eligibility

The core curriculum must be satisfied by all students in the College of Arts and Sciences who began their undergraduate study in the summer of 1988 or later. Those students who finished high school in the spring of 1988 or later must also meet the college's minimum academic preparation standards, or MAPS (see page 125). You must take one course per MAPS deficiency per term. **Please note the following change in policy: If you complete a course approved to fulfill a MAPS deficiency and that course is also approved to fulfill a Core area, that course can be used to fulfill both the Core requirement and the MAPS deficiency. This change in policy applies to all Arts and Sciences students who are subject to MAPS. Please contact your academic advisor for additional information.**

There are eleven requirements of the core curriculum—four in skills acquisition and seven in the content areas of study. The requirements are all listed here, with instructions and lists of courses that will fulfill each requirement. For a complete explanation of graduation requirements in the College of Arts and Sciences, see the University of Colorado catalog.

Selected majors and the EPOB minor are exempt from portions of the core curriculum (see sections 6, 8, 9 and 10 of the content areas of study). Content area exemptions may be used cumulatively if you are graduating with more than one eligible major or the EPOB minor.

Although a single course may appear in several areas, you may use it to meet only one core requirement.

Skills Acquisition

1. Foreign Language

While in high school, all students are required to demonstrate third-level proficiency in a single modern or classical foreign language. If you have not met this requirement at the time you enter the college, you are required to meet the deficiency by passing an appropriate third-semester college course or by passing a CU-Boulder-approved equivalency examination. Courses offered at CU that satisfy this requirement include the following:

CHIN 2110-5	Intermediate Chinese 1
CLAS 2114-4	Intermediate Latin 1
CLAS 3113-3	Intermediate Classical Greek 1
FREN 2110-3	Second-Year French Grammar Review and Reading 1
GRMN 2010-4	Intermediate German 1
ITAL 2110-3	Intermediate Italian Reading, Grammar, and Composition 1
JPNS 2110-5	Intermediate Japanese 1
KREN 2110-5	Second-Year Intermediate Korean 1
NORW 2110-4	Second-Year Norwegian Reading and Conversation 1
PORT 2110-3	Second-Year Portuguese 1
PORT 2150-5	Intensive Second-Year Portuguese
RUSS 2010-4	Second-Year Russian 1
SLHS 2325-4	American Sign Language 3
SPAN 2110-3	Second-Year Spanish 1
SPAN 2150-5	Intensive Second-Year Spanish
SWED 2110-4	Second-Year Swedish Reading and Conversation 1

2. Quantitative Reasoning and Mathematical Skills

You are required to demonstrate minimum competence in Quantitative Reasoning and Mathematical Skills (QRMS). You can fulfill the requirement by passing one of the courses or sequences of courses listed below or by passing the CU-Boulder QRMS proficiency exam.

a)ECEN 1200-3	Telecommunications 1
b)ECON 1078-3	Mathematical Tools for Economists 1
c)GEOL/	
PHYS 1600-4	Order, Chaos, and Complexity
d)HONR 2810-3	Practical Statistics for the Social and Natural Sciences
e)MATH 1001-3	College Algebra
f)MATH 1012/	
QRMS 1010-3	Quantitative Reasoning and Mathematical Skills

g)MATH 1110-3	
and 1120-3	The Spirit and Uses of Mathematics 1 and 2
h)MATH 1150-4	Precalculus Mathematics
i)MATH 1410-3	Mathematics for Secondary Educators
j)MATH/	
QRMS 2380-3	Mathematics for the Environment
k)PHYS 1010-3	Physics of Everyday Life 1
l)PHYS 1020-4	Physics of Everyday Life 2
m)PSCI 2074-3	Quantitative Research Methods
n)Any 3-credit math module: MATH 1011-3, MATH 1071-3, or MATH 1081-3.	
o)Any three 1-credit math modules: MATH 1000, 1010, 1020, 1030, 1040, 1050, 1060, 1070, 1080, 1090, or 1100. It is recommended that students register for clusters of three modules, for example, MATH 1000-1020, 1020-1040, 1050-1070, or 1080-1100. Only students who have passed a 1-credit math module may register for additional 1-credit math modules.	
p)Any 3 credits of mathematics courses numbered MATH 1300 and above or applied mathematics courses numbered APPM 1350 and above.	

3. Written Communication

Students may meet the lower-division component of this requirement by first passing one of the approved lower-division courses or by receiving a score of 3, 4, or 5 on the English Language and Composition Advanced Placement Exam. Students may then complete the upper-division component of this requirement by passing one of the approved upper-division courses or by passing the written communication proficiency exam.

Minimum Academic Preparation Standards

All new students entering the University of Colorado who finished high school in the spring of 1988 or later must meet the Minimum Academic Preparation Standards (MAPS) specified by their school or college. The purpose of these standards is to assure that all students have some core knowledge in common.

The College of Arts and Sciences has adopted the following standards for admissions. These standards are defined in high school years.

- English** 4 high school years (including 2 in composition)
- Mathematics** 3 high school years (2 in algebra and 1 in geometry)
- Natural Science** 3 high school years (including 2 in lab science, one of which must be chemistry or physics)
- Social Science** 3 high school years (including one of U.S. or world history and one of geography. A student who has U.S. history may use 1/2 year of world history and 1/2 year of geography instead of one year of geography.)
- Foreign Language** completion of a third-year-level course (level III) in a high school foreign language sequence

Policies Concerning the Completion of MAPS

If you were admitted to the College of Arts and Sciences with missing MAPS courses, you are subject to the following policies:

1. Each year of missing high school work can be made up by one semester of appropriate CU-Boulder course work.
2. All course work taken toward fulfillment of the MAPS must be taken for a letter grade, and you must receive a passing grade.
3. You are required to enroll in and complete at least one MAPS course each term, beginning in your first term of enrollment, until such time as all MAPS requirements are completed. This policy applies to new freshmen, transfer students, and students transferring from other colleges or schools on the Boulder campus and from other campuses of the University. Failure to comply with this requirement may result in suspension at the end of the term in which you cease to complete missing MAPS courses.
4. All students who first enroll in one college or school at CU-Boulder and who subsequently transfer to another college or school are required to meet the MAPS specified for the new college or school, whether or not they have completed their MAPS courses in their previous college or school.
5. Double-degree students must meet MAPS requirements of both degree-granting colleges or schools.
6. During the arts and sciences orientation, students must consult with a CU-Boulder academic advisor to determine which specific courses may be used to meet a MAPS requirement.
7. If you complete a course approved to fulfill a MAPS deficiency and that course also is approved to fulfill a core area, that course can be used to fulfill both the core requirement and the MAPS deficiency. This change in policy applies to all Arts and Sciences students who are subject to MAPS.

Note: Contact your academic advisor for additional information.
